

service changes

from 5 April 2020

At **trentbarton** we know you trust us to get you where you're going in a safe, comfortable and hassle free manner. We take this responsibility incredibly seriously. We want to reassure you that the safety and well-being of customers and colleagues is our top priority and we have taken all necessary measures to aid in stopping wherever possible the spread of Coronavirus. We continue to monitor customer usage closely and are therefore making further changes to our services.

Public transport continues to play a pivotal role in facilitating keyworkers getting to and from their locations of work, including our amazing NHS staff. We are exceptionally proud to helping facilitate these important journeys.

The changes taking place from 5 April 2020 effect the Sunday timetables for all our brands and further information can be found online at **trentbarton.co.uk/coronavirus**.

In addition there are changes to the weekday timetables of the following brands.

-  **indigo**
-  **royal derby**
-  **skylink derby**
-  **skylink express**
-  **skylink nottingham**

Further details of these changes can be found online at **trentbarton.co.uk/coronavirus**

During this time we are allowing customers to freeze any pre-purchased products, including any corresponding subscriptions. To do this we are asking customers to speak to contact our customer services team by phone on **01773 712265**, email at **talk@trentbarton.co.uk** or by our social media channels (**[@trentbartonland](https://twitter.com/trentbartonland)**).

We will continue to keep our website and social media feeds up to date for the very latest information and changes.

We appreciate your support at this time. Stay safe.

Jeff
managing director
